MAINE STATE FAIR

[From N. E. Farmer.]

The fourteenth annual Show of the Maine State Agricultural Society opened at Portland on Tuesday Aug 29, continuing for four days. The weather throughout was fine and the attendance good. From the reports in our daily contemporaries, especially the full account in the *Journal*, we gather the following details, having been to our great disappointment compelled to forego the pleasure of a personal inspection.

CATTLE

The show of cattle is spoken of as one of the best ever made in Maine, as regards quality, though not quite so many as last year. There were some 1500 animals on exhibition. The following were some of the most notable displays: Messrs Coffin & White, Thorndike, exhibit a very large finely matched and high grade pair of fat cattle of the Short horn stock, weighing about 6000 pounds, sired by the thoroughbred bull Knight of Geneva of the well known Peter W. Ayer stock (Freedom). Mr D. C. Libby of Gorham exhibits a splendid pair of fat cattle weighing 6000 pounds, and Mr E. Stone of East Windham a very handsome pair of matched grade Hereford cattle.

Mr J. M. Wing of Wayne enters for the sweepstakes the pair of 6 years old grade cattle which took the first prize last year. Mr C. H. Perry of Monmouth has a fine pair of grade Hereford. Mr A. C. Chandler of New Gloucester has two pair of very pretty matched large oxen entered for the sweepstakes. Mr H. C. Burleigh of Fairfield the widely renowned Hereford stock raiser has his magnificent herd of 17 head here, including the bull "Compton," 10 year old, an old Trojan who has taken 64 highest prizes in all the New England States but Vermont at New England State fairs. There are also a 2 year old and a 1 year old bull of the Burleigh herd of great value and very promising in form, build and color. There are several of the cows and heifers in the herd which are very handsome. Mr Burleigh is the leader in this especial line. Yet there are several exhibitors showing in large numbers, equally as fine animal, many of the specimens being from the Burleigh stock. Mr Eli Stone of East Windham exhibits a very promising Hereford bull, Orphan Boy, 3 years old. Mr N. H. Church ill of North Parsonsfield exhibit the old Duke of Somerset, 1 year old last May.

Of grade Durhams there are also superior representatives. Mr W. P. Merrill of Falmouth exhibits his valuable cow Beauty, 11 years old of Durham and Devon stock, which took first prize last year and gives 63 gallons of strained milk per day. He also shows mother grade Durham and a grade Jersey yearling.

Mr G. M. Stevens of Deering has four grade cows (Durham and Hereford) very rich milkers. Col C. P. Mattocks of Portland (Farm at East Baldwin) exhibits his valuable grade Durham herd of 4 cows and 4 calves, also his full blooded Jersey bull Marlboro, 3 years old, which took the second premium last year. Mr H. F. Brown of Baldwin and Messrs Hunt & Brown of Baldwin have superior exhibits of Short horns, the latter a large and handsome bull.

Mr Peter W. Ayer of Freedom has a herd of thoroughbred Short horns of the Bates and other stocks from James O. Sheldon, Geneva, N. Y., and others. The bull Knight of Geneva, 6 years old, has taken three prizes at the Maine State fairs, Bangor, Lewiston and Portland. Mr Ayer also has a beautiful Short horn cow of the common Durham breed, 8 years old, with a calf 3 months old, of the Geneva stock, also other choice cows and heifers. Mr S. G. Otis of Hallowell has a very choice herd of thoroughbred Short horns including the bull Red Rover, 2 years old, girth 7 feet 1 inch.

Mr J. P. Putnam of Winthrop has his superior herd of thoroughbred Short horns, 10 in number, including the heifers Red Lady and Roan Rose, 5th, the latter giving 12 quarts of milk a day before calving and after calving suckled two calves, now two months old. Most of the stock of this herd is from the well known stock of Mr Warren Percival of Vassalboro, one of the leading Short horn stock raisers of New England. Mr Percival exhibits several of his finest animals, bulls Rusticus and Roan Star, two bull calves, two cows, heifers Beauty and Tube Rose, also two handsome calves.

Gen W. S. Tilton of Togus Military Asylum exhibits his valuable herd of Holsteins, including the imported bull Denmark, 5 years old, weighing 2200 pounds, and the cow Itzehoe, 8 year old, with their progeny, cows, heifers and calves, also a choice herd of 13 Jerseys of imported and American stock. Hon C. F. Libby of Portland (Ridgewood Farm at Cape Elizabeth), makes a very fine exhibit of Jersey stock, including the valuable 6 year old bull Euclid and the 5-year-old cow Sokel, which gives 18 quarts of milk per day, 5 pounds to the gallon.

Messrs J. and N. Dane Jr., of Kennebunk exhibit their well known herd of Jerseys, ten in number, which took the first premium at the New England and Maine State Fair last year, including the 3 year old bull Standard, Jr., and a splendid 1-year-old bull Duke of Burlington, and the beautiful cows Corona and Betsey Baker progeny. Dr N. R. Boutelle, of Waterville, also one of the leading Jersey stock breeders, exhibits his valuable herd, headed by the 2-year-old bull, Tristam Shandy, the cow Fanti Bell and progeny. Mr Alonzo Libby, Jr., of Westbrook, J. True of New Gloucester, Mr Cyrus S. Robbins of Winthrop and Mr G. S. Shaw, of Detroit, also exhibit excellent Jerseys.

Mr Alonzo Libby, of Westbrook has a very fine exhibit of his Ayrshires, a herd of 13 in all, which attract great attention. Among them the 4-year-old bull Harry, of the Ivanhoe stock, the 2-year-old bull Westbrook, sire Crown Prince, dam Rose of Caron, the imported cows Queen and Twiney, the former in one week in June giving 403½ quarts of milk, and the latter 376½ quarts. These two valuable cows are entered for milk record also.

SHEEP.

The display of sheep, just north of the track and near the Agricultural Hall, although not large, is very fine, and occupies 28 pens. There are about the same number as last year. The breeds exhibited are the Cotswolds, South Downs, and black Merinoes. Col. C. P. Mattocks, of Portland, exhibits from his splendid stock farm at East Baldwin his famous imported Cotswold buck, Broadfield's Pride, weighs 445 lbs., also some valuable Cotswold sheep. Gen. W. S. Tilton, of Togus Military Asylum, has ten head of Cotswolds, very fine, large, long-wooled animals, [illegible] the first prize at the New England fair last year. Dr N. R. Boutelle, of Waterville also has a superior lot of South Downs, including a buck weighing 180 lbs. The flocks of Mr Burleigh and Dr Boutelle are said to be the finest in the State. Mr S. S. Soule, of South Freeport, also makes a superior exhibit of Cotswold sheep, bucks and ewes. The latter has a fine sample of wool of one sheep on exhibition, 16 inches length of fibre.

Mr W. Frost of Wayne, has a fine Cotswold flock, the buck Cochrane weighing 225 lbs., and one sheep imported by him from Mr Stone of Canada, has wool from 8 to 15 inches in length. This old buck sheared 16 lbs. of wool from his first fleece and has taken the prize at the State Fairs for two successive years. A lamb from this flock sheared the last day of February showed wool 8 inches in length. Mr G. Ladd, of Starks displays some splendid black Merinoes. The buck Charlie sheared 21 lbs. of wool this spring, a year's growth to a day, and weighs 165 lbs. A yearling buck that Mr Ladd exhibits sheared 15 lbs. of wool, which sold for thirty cents a pound. There are 30 head in this exhibit, taken at random from a flock of 170 sheep. The stock was purchased from Tottenham of Vermont and was imported by a Mr Rich at a cost of $600.

SWINE

The display of swine is small, but of excellent quality. Dr N. P. Boutelle of Waterville exhibits a valuable Essex boar and sow. Mr J. P. Putnam of Winthrop, has two large Berkshire sows, one of which has a thriving family of twelve. He also shows a fine Berkshire boar of large size and symmetrical shape. Col Mattocks of Portland, also has a fine lot of Berkshires, barrow, boar, sow and two pens of ten little shavers five weeks old. Mr W. W. Harris of Portland, County Attorney, whose farm is at Cumberland, and C. F. Libby of Portland, whose Ridgewood Farm at Cape Elizabeth is one of the finest in the country, both exhibit some choice Berkshires. Until within a few years the Berkshire was a rare bird in these parts, but epicures say the flesh and flavor of this breed is of surpassing excellence.

POULTRY

In poultry there are 11 entries for the best trio of every well known breed, of turkeys 8 pair, or trios of duck, 1 pair each of Bremen, Hong Kong, China and wild geese, and one collection of pigeons. The poultry is said to make a large display for a State Fair, but is a bagatelle compared with those of the Maine Poultry Association. J. P. Kennistón, Col Mattocks and A. L. Shurtleff make admirable exhibits in all the above classes and they appear to be about the only ones.

HORSES

The great improvement in the raising of horses, the introduction and crossing of different breeds to insure symmetry, strength and speed has been progressing in Maine with great rapidity during the past few years, especially since the introduction of the unsurpassed Knox stock. This stock predominates, being regarded as the leading stock, although the Fearnaughts make a splendid show. Several of the cattle pens have been changed over to accommodate the demand. They are 176 in number, comprising 3 thoroughbred stallion, 11 stallions eight years old and over, 14 five to eight years, 12 four year, 12 three years, 21 two years, 11 one year, 9 brood mares with foals, 18 mares five years old, 7 one year olds, 17 geldings five years old and over, 3 four-year-old, 6 three year olds, 2 two-year-old, 1 one year old and five matched horses.

Among the most noticeable animals present are Mr Tilton's Knox stallion Maine Slasher, and his 2-year old stallion, Constellation. W. B. Nutter, Cape Elizabeth shows the stallion Tom Morris, who took the first prize in 1869 and last year his colts took six first premiums. Mr Nutter also exhibits his thoroughbred running mare Achievement. She was a running mate for Goldsmith Maid and Smuggler last year. She is being kept for breeding purposes. One of the best horses from York county is Bayard Knox, owned by Andrew W. Hewes of Saco. Mr J. M. Wright of West Paris exhibits his fine stock horse Tom Patchen Jr. Mr S. Eastman of Cornish a valuable pair of matched Morgan horses. Mr L. Whiteman, Jr., of West Paris a large, symmetrical and valuable Percheron horse, 4 years-old, weighing 1600 pounds. He was imported from France last May. Adjoining his stall is another young stallion, Farmer's Interest, 2 year old and weighing 1180 pounds, sired by a horse of the same blood out of a native mare. Many other exhibitors we are compelled to pass over.

DRAFT OXEN

On the third day the trial of draft oxen attracted much attention. The premiums amounted to $200 divided into four prizes. The contestants were J. M. Wing of Wayne, A. C. Chandler of New Gloucester, Eli Stone of East Windham and C. W. Winter of South Carthage. Two trials were had with loads of 7639 and 7797 pounds respectively. The judges awarded the first prize to A. C. Chandler, whose yoke in the two trials had pulled 38 feet 6 inches, second prize to Eli Stone, 25 feet 5 inches, third prize to J. M. Wing, whose oxen pulled 23 feet 4 inches, fourth prize to C. W. Winter, whose oxen recorded 11 feet 2 inches.

The sweepstakes for drawing oxen owned in the State took place Thursday. The purse was for $100 divided in four prizes, $50, $25, $15 and $10. The drawing weight was 5347 pounds. G. W. Carter of Scarboro took the first and fourth prizes, Wm. Warren of Scarboro the second, Charles F. Winslow the third.

MACHINERY HALL

The building used for the display of agricultural implements is not as well filled this year as last. The first floor is devoted exclusively to labor saving agricultural implements. Among the leading exhibitors are Messrs Isaiah Frye & Son, Portland, steel ploughs of which they are the only manufacturers in Maine. T. B. Hussey, North Berwick, shows his cast iron ploughs and other implements. The Ames Plow Company, Boston, hard steel and swivel ploughs. Everett and Small, Boston, Holbrook swivel plough, seed drill, horse hoe &c. Of mowing machines Mr G. B. Weaver of Newport, R. I. shows the Haymaker. A. I. Dennison, Portland, the Wood's, and a new machine was shown by G. D. Hamlin of Deering. Kendall & Whitney, Portland, made quite a display of agricultural implements. Some very curious relics of old time farming were shown by Mr Frye, who had a plough 70 years old, formerly used in Cumberland, and Mr Hussey, who showed a plough over 100 years old, made by Elder David Boyd of North Berwick, and it is said was used with twelve oxen in breaking up the land. It is called the "Gospel" plough, probably because it was built and used for so many years by the worthy Elder. The handles are made of ash roots and the main beam of small oak, the share even being of wood covered with strips of iron. The length of the plough from the end of the handles to the end of the beam is 12 feet, and one side of it is marked with the cuts of the axe of the attendant who years ago walked by it, cutting away the obstructing roots and bushes.

CITY HALL

The arrangement of the articles in the main hall and ante-rooms was completed Wednesday, and this part of the Exhibition was very attractive. The display, while not quite so extensive as last year was fully as interesting, the Centennial relics in the reception hall being especially attractive. This part of the Show was kept open till Saturday night. Fruit and vegetables were not plenty, the Show being rather early for a good display.

A girl in Deering was badly burned Friday morning, by falling a frying pan catching fire. Running into the barn with blazing clothes she set the hay and a barrel of kerosene all on fire. All were finally extinguished and the girl sent to the hospital. Wm. F. Morrill and son also received painful burns in extinguishing the [illegible]

THE EAST RIVER SUSPENSION BRIDGE

We take pleasure in communicating to our readers that the towers and anchorages of the East River bridge are completed, and unless prevented by an injuction the work of constructing the bridge proper will be begun. [The injuction has been denied.]

The plan of operation is as follows: A steel rope will be temporarily fastened to the New York anchorage, thence conveyed over the top of the tower, and the coil conveyed to Brooklyn by means of a scow. The rope will then be passed over the Brooklyn tower and to the anchorage, but will be left slack and under water until late at night or early in the morning when few vessels are passing, when it will be pulled tight. This steel rope will be also temporarily secured to the Brooklyn anchorage, and the coil borne back to New York by the scow and there again connected. By means of this rope other similar ones will be put up as required for the future construction of the bridge. First two steel wire ropes 2½ inches in diameter, will be carried across and made secure to temporary fastenings at each anchorage, these will be 3½ feet apart and placed a little to the south of the middle of the tower running over the top. They will be used for the construction of a temporary bridge for the use of the workmen. Oak plank 1½ inches thick will be laid upon the ropes with spaces of about half an inch, both for the purpose of economizing material and to lessen the effect of the wind upon it. They will be fastened by strips running lengthwise across the ends, which will be bolted to the ropes by U shaped clamps.

This temporary bridge will be completed by stretching small ropes on each side about three feet above the flooring and secured to every 100 feet, where it will be rendered firmer by guys.

Three other steel ropes of the same magnitude as those used in the construction of the foot bridge will be stretched across the river over the tops of the towers—one 27 feet south of the foot bridge at the edge of the pier, one over the north edge and one midway between the north rope and the foot bridge with a space between the north ropes of 51 feet. The objects of these last mentioned ropes is to support small cross bridges, technically termed cradles, and necessary for the construction of the other parts of the bridge.

There will be five of these cradles, one in each land span between each tower and its anchorage, and three at equal distances in the river span. They will project 10 feet beyond the outside cable and will support pulleys for the endless ropes. The whole temporary structure will be 200 feet above high water at its centre and lowest point. After this work is completed the construction of the bridge proper will be proceeded with and the first step will be the stretching of the main cables, which will be put up at the same elevation as the temporary bridge and lowered. These cables will be composed of 19 strands, each strand being made up of 330 wires, No. — gauge—that is little more than ⅛ inch in diameter. The material used will be the best quality of steel wire. The ropes of the temporary bridge will not be taken down, but finally incorporated into the superstructure of the bridge. The workmen to be employed on this dizzy platform are for the most part men who were sailors, and no loss of life is anticipated if proper precaution is used.—*Manufacturer and Builder.*

A Splendid Day's Work!

Hurrah! Hurrah!! Hurrah!

The grateful task of compiling the glorious returns of the magnificent Republican triumph achieved in Maine yesterday, [illegible]

selves with a voice that will thunder along the Union Line, awakening enthusiastic response in Indiana and Ohio, and swelling into the grand peal of National triumph which will greet the uplifted Republican Banner in November.

The victory is so sweeping that we need not waste time in figuring out its precise extent. It is complete, beyond all our expectations, and comprehends every element of political triumph. Our State majority, instead of being "wiped out" by a Democratic "tidal wave," is quadrupled for the Centennial Year, and the loyal flood is still sweeping in from all quarters of Old Maine. We have elected a solid Republican delegation to Congress in spite of all opposition, and by handsome majorities in every District. The Legislature is overwhelmingly Republican, and the sixteen Counties are almost solidly in line. The Fourth District has done nobly, and Old Penobscot comes grandly to the front, with a majority that will carry the whole ticket in spite of bolts or scratching.

We have gained **481** in Bangor over last year, beaten our 1872 majority, and elected a full delegation to the Legislature We have gained 2 Representatives in Bangor, one each in the Hampden and Carmel class, handsomely elected our candidates in Oldtown, Orono and other contested districts, and made similar gains in Winterport and other districts in various Counties which we have no time to enumerate

Our recapitulation shows returns from 248 towns, giving Connor 56,918, Talbot 43 920, our majority therein being 12,998 The same towns last year gave Connor 43,184, Roberts 39,478, our majority therein being 3,706 Net Republican gain in 248 towns **9,292** The ratio of these returns would give an aggregate vote of 135,000, as against 111,665 last year, and the ratio of Republican gains continued would seem to bring our majority well up to 16,000 But we have had to figure hastily, and as we estimated for but 10,000 all above that number we shall regard as piling glory upon triumph

The result in Maine insures a Republican National victory, and has fallen like a lightning stroke upon the Tammany and Ku-Klux legions of Democracy. The voice of our people has decreed the political fate of Samuel J Tilden, and the impetuous charge led by gallant Maine will be followed so swiftly by her sister loyal States that the Confederate allies will be unable to rally.

In a future issue we shall refer more in detail to the magnificent result achieved, but have now time only to point to the eloquent returns below given and unite with our fellow Republicans in ringing cheers for the triumphant banner of the Old Pine Tree State.

ELECTION NEWS.

AROOSTOOK COUNTY

Mr Powers Gains over the Vote of Last Year.

[SPECIAL TO THE WHIG AND COURIER.]

HOULTON, Sept. 11. The vote of Houlton stands. Powers, 298; Donworth, 280; Oak, 13. Ludlow, Hodgdon, Littleton, Linneus, New Limerick, Fort Fairfield, Smyrna, Oakfield and Monticello give Powers 200 majority over Donworth.

In eight towns, Houlton and vicinity Powers has made a relative gain over Plaisted's vote of last year of 281. He will carry the County, and we expect to elect our whole County ticket.

THE FIFTH DISTRICT.

The Bangor Man ... Mr. Hale's Majority.

[BY ASSOCIATED PRESS.]

ELLSWORTH, Sept. 11. Hancock County returns show a ... 800. ... Washington County ... [illegible]

reach 600 majority. Mr. Hale's majority must be almost or quite 3000, being a gain of 600 on the vote of 1874. In 1875 the District gave exactly 100 majority on the Governor vote. The Fifth District is the banner District, the majorities being about the same everywhere as in 1872.

Summary indicating twelve thousand majority—Heavy aggregate vote.

PORTLAND, Sept. 11. Returns from 214 towns give Connor 52,970; Talbot, 41,422, Republican majority, 11,548. The same towns last year gave Connor 40,645; Roberts, 36,967; Republican majority, 3,678. Republican gain over last year, 7,847.

The towns to be heard from gave last year, Republican, 17,167; Democratic, 16,840; Republican majority, 327. The Republican majority in the State will probably exceed 12,000. The aggregate vote will probably be 134,000, of which the Republicans should have 73,000 and the Democrats 61,000.

In 1874, the aggregate vote was 127 260, of which the Republicans had 71,888, Democrats 55,343, and the Republican majority was 16,545. In 1873, the Republican majority fell to 9,535, and in 1874 fell to 6,430.

All Five Congressmen Elected.

In the First District forty-one towns give Thos. B. Reed, (Rep.) a majority of 1,025 The remaining 11 towns to be heard from gave a Republican majority of 124 in 1874, so his majority will probably be 1100

The second and third Districts will elect their Representatives by increased Republican majorities. Frye in the second had 2,415 majority in 1874, and Blaine in the third had 2,830. Powers claims 1500 in the fourth District, it went 2,953 in 1874, but the Republican bolt will cut it down Hale claims 3,000 in the fifth, his majority in 1874 was 2470

The Legislature Two-thirds Republican.

The Senate will stand probably 27 to 4 The Representatives will be two-thirds Republican. Cumberland County has elected the full Republican ticket. Despatches from other places will give the result in other counties

LINDSEY'S MAJORITY

AUGUSTA, Sept 11 Forty-eight towns in the Third Congressional District give the Republicans 11,070, Democrats, 8,986, indicating a majority for Lindsey of 3,000

JUBILATION IN AUGUSTA.

Ringing Speech by Mr. Blaine.

AUGUSTA Sept. 11. At the large gathering assembled in Meonian Hall to-night to hear the election returns, Mr. Blaine was loudly called for and in response spoke as follows

Friends and Townsmen —I have never assisted in securing a Republican victory in Maine that gave me the profound and heartfelt gratification derived from the work of to-day. At the moment of Governor Hayes' nomination for the Presidency I hastened to telegraph him that Maine would speak forth her approval in no doubtful tones. I sent this assurance not only to the standard-bearer of the great party to which I am proud to belong, but to a person for whom I entertain the warmest regard and the most sincere respect. I am sure the whole country will take the result in Maine to-day as the most significant indication of that larger and grander victory which will preserve the power of the Nation in the hands of those who believe we are a nation. The people of Maine act independently and vote intelligently, and they have to-day indignantly refused to be transferred to the agents and allies of the Confederate power in the South, and the sister States of Maine that fought by her side in the war for the Union will stand by her side in the position she has taken to-day. Mark that! Gentlemen, I bid you good night, and I bid you good cheer for the morrow.

Senator Blaine's Despatch to Governor Hayes.

AUGUSTA, Sept. 11.—Midnight Mr Blaine has sent the following despatch to Gov. Hayes

Hon. Rutherford B Hayes, Columbus Ohio.

We have carried the State on the largest vote ever cast, by a majority of from 12,000 to 15,000, being a gain of some 10,000 over our majority of last year. We have carried every Congressional District, have elected our County officers in every County in the State, with possibly two exceptions, have regained one County which the Democrats have held for several years past, have chosen 29 out of 31 Senators, and have elected from three-fourths to four-fifths of the Representatives of the State Legislature.

Our triumph is complete and overwhelming at all points. You will receive the Electoral Vote of the State in November by a majority of from twenty to twenty-five thousand.

(Signed) J. G. BLAINE.

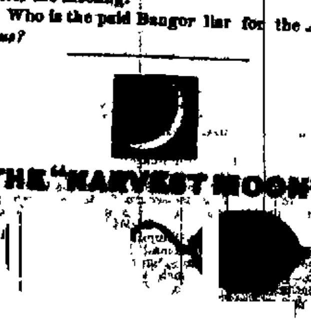

The Republican Courser crossing the wire—"Talbot's Horse"—distanced.

How a Democrat Can Lie.

As a specimen of the tallest kind of Democratic lying we copy from the Portland *Argus* of Monday the following special despatch sent from this city. The first portion of the despatch glorified the Democratic demonstration on Saturday evening and then followed this outrageous mass of falsehood:

The Republicans of this city held their closing meeting in Abbott Square last evening. Gen. Swift, Hamlin, Plaisted, Lewis Barker and some others were advertised to speak. Barker was the only one that spoke. He went for the Democrats. He was not satisfied in talking about Democratic men, but insulted Democratic ladies from the platform. When he did that he was hissed from the platform. The meeting was a great failure. There were not more than 600 in the square, while there were 1500 in Norumbega to hear Tarbox. The Democrats turned out so strong that it frightened them. They had a procession after the meeting.

Who is the paid Bangor liar for the *Argus*?

MISS MANK.

Arraigned for Murder.

LOWELL, Mass., Sept. 11. Miss Mank, murderess of Charles Ricker, was arraigned in the police court this forenoon. She asked for a postponement to secure counsel from abroad and was ordered committed to Friday of next week without bail. She was then returned to jail.

DOMESTIC NEWS.

MASSACHUSETTS.

Rum Did It.

NEWBURYPORT, Sept. 11. John Pillsbury, of Newbury, 40 years old, was found dead half way from here to his home in Byfield, this morning. Foul play is suspected, but doubtless rum did it, as he with two others went home last night, drunk.

NEW YORK CITY.

Died.

NEW YORK, Sept. 11. Major Augustus H. Seward, the oldest son of the late Gov. Seward, died to-day at Montrose, Westchester county, in his 30th year.

Stabbed.

Caleb D. Weeks, of 111 East 104th street, was fatally stabbed last night in a beer saloon No. 1890 Third avenue, by John Spellman.

Advancing the price of bonds.

The Syndicate have advanced the price of new U. S. 4½ per cent. bonds to 101 gold in this market and 103½ in London, an advance of ½. It is understood the Treasury Department will issue to-day or to-morrow another call for $10,000,000 of five-twenty bonds, making the total called $30,000,000.

WASHINGTON.

Customs, Revenue and Bonds.

WASHINGTON, Sept. 11. Internal revenue receipts to-day, $568,038.21; customs, $470,444.40. Seven hundred thousand 5-20 bonds held in the Treasury to secure the National bank note circulation were withdrawn to-day, for which new 4½ per cent. bonds will be deposited.

SOUTH CAROLINA.

The Cotton Crop.

CHARLESTON, Sept. 11. The Cotton Exchange reports the crop in the upper portion of the State much better than last night. In the eastern and southern sections it is injured by rust and drouth, but the condition is about the same as last year. The crop is 10 to 15 days later than last year.

THE INDIAN WAR

Courier Driven Back.

CHEYENNE, Sept. 11. Advices from the telegraph camp near Hat Creek this morning say the Indians drove back the Government courier, who left Fort Laramie with a despatch for Gen. Crook. He will make another start from Hat Creek this morning.

MISSOURI.

Visiting the Western Forts.

ST. LOUIS, Sept. 11. Gen. Sherman and Secretary Cameron and daughters passed through here yesterday en route to inspect the Western forts. They first visit at Fort Leavenworth, then go to Denver, Cheyenne, Fort D. A. Russell and San Francisco. On their return they visit all the posts along the route in Nevada and Utah. They also go to Los Angelos, Southern California, from San Francisco. They expect to reach Washington again about Oct. 16th.

CONDENSED DESPATCHES.

The explosion under Hell Gate is postponed till October.

A Dubuque, Iowa, despatch says the storm Friday night carried away six railway bridges between there and Julian. Telegraph wires were injured and rain has fallen steadily for five days.

Geo. L. Fox, comedian, has been brought home in Brooklyn by his wife, and has fully regained his senses.

President Grant has issued a formal proclamation, carrying into effect the treaty between the United States and the King of the Hawaiian Islands, made on the 30th of January, 1875.

A Los Angelos despatch says Keingenswith, the woman witness of the mountain massacre, was captured on the Moham Desert and brought to that city.

The total interments at Savannah, Ga., Saturday, were 12, of which 10 were yellow fever and of this number, 7 were of children 9 years of age and under.

A son of Edward D. Tasker, of Pittston, aged 12, was seriously if not fatally wounded Saturday by the accidental discharge of a revolver.

Dewitt C. West says he cannot be a candidate for Governor before the Saratoga Convention Wednesday.

FOREIGN NEWS.

GREAT BRITAIN.

Bulgarian Atrocities.

LONDON, Sept. 11. The Earl of Derby received two deputations, one representing the workingmen's movement on the subject of Bulgarian atrocities and the other the workmen's society. Derby replied that he would not waste time in defending himself and colleagues against various imputations thrown out by many writers and speakers in the prevailing excitement, but these imputations had been repeated so often that he must allude to them. The government had been charged with indifference to the great crimes committed. All that had been done in diplomatic matters and in sending a fleet to Besika Bay was done if not before the outrages occurred; at any rate before they were known. He denied that the Government was in any sense responsible for outbreaks of fanaticism among the Turkish population.

He described the previous action of the Government and said they had nothing to say and nothing to regret. If the Turks believed all Europe desired to drive them back into Asia, they would break out in excesses prompted by revenge and despair. He believed the conviction that England desired to see fair play, had done more than any one thing else to prevent the war from assuming the character of a religious war and to prevent the commission of atrocities in many provinces instead of one.

GERMANY.

Return of the Centennial Commissioner.

LONDON, Sept. 11. The Standard's despatch from Berlin states that the German Commissioner Reuleaux arrived Saturday from Philadelphia. His report regarding the Germany Department of the Centennial is eagerly awaited by manufactures and will be published soon.

THE TURCO-SERVIAN WAR.

No Change.

BELGRADE, Sept. 11. Little change occurs in the Servian campaign. Tchernayeff's prospects are brighter than a week ago. The Turks evidently wish to pass Alexinatz and take Deligrad by a feint movement, but that purpose has been checked by the advance of Harvatovitch and it is clear that they will still have to fight the decisive battle. There is no signs of the abatement of the warlike spirit in Servia.

TO AUSTRIA.

President Grant's Letter to Emperor Francis Joseph.

WASHINGTON, Sept. 11. Following is President Grant's reply to the congratulatory letter of Emperor Francis Joseph on the occasion of our centennial:

Ulyssis S. Grant, President of the United States of America, to his Imperial Majesty Francis Joseph, Emperor of Austria, King of Bohemia and Apostolic King of Hungary:

[illegible]

Count Hogos, the kind letter of the 19th ult., which your Majesty was pleased to address to me, with congratulations, in anticipation of the approaching Centennial of the United States. It is especially agreeable to learn that the Sovereign of one of the oldest, most renowned and most wonderful nations of the Eastern Hemisphere, recognizes the progress and prosperity accomplished during that period by the Western Republic and therefrom deduces that a persevering advance in the same direction may be expected from her. The good wishes which your Majesty expresses towards this country are cordially responded to and I confidently hope that during the further reign of your Majesty the progress of countries under your rule will be in everything which conduces to the happiness and prosperity of a people as eminent hitherto as this. I pray to the Omnipotent to extend to your Majesty His safe and Holy protection.

Done at Washington the 22d of July, 1876, and in the 101st year of the Independence of the United States.

By the President. U. S. GRANT.

HAMILTON FISH, Secretary of State.

SOUTH AMERICA.

Riots and Wars and Rumors of Wars.

NEW YORK, Advices from Lima, Aug. 1st, state that an attempt was made the previous day by a number of desperate ruffians, who assaulted his house, to assinate ex-President Prado. President Prado, with his Ministers of the Interior and Treasury and a few mounted men soon appeared on the scene and dispersed the rioters. They then made an attempt on Prado's house, but Col. Zamudo with fifty mounted riflemen quickly came up. People commenced stoning the soldiers, who first fired a volley over their heads and then fired into the crowd, killing four and wounding several. The city speedily became tranquil.

Destructive Fire.

A great fire at Caracoles, Peru, destroyed property valued at 500,000 sols.

The American ship Cultivator, guano laden, arrived at Callao Aug. 20th, making three inches of water per hour.

Declared War.

The Republic of Columbia is declared in a state of war and the army will be raised to 20,000 men, of which 9,000 will come from the State of Panama.

Ex-President Guardia has landed at Costa Rica and will assume charge of the government, and it is rumored a hostile attitude against Nicaragua.

The fear is expressed that a combined attack by Salvador and Guatemala against Nicaragua was premeditated.

MEXICO.

NEW YORK, Sept. 11. A Brownsville despatch reports the occupation of New Laredo, Mexico, at the request of the Mexican Federal commander, by fifty United States troops under Lieut. Col. Merriam.

Hon. John A. Peters is now doing the Centennial.

There was nothing up in the Police Court yesterday.

The election yesterday passed off very quietly in this city.

A salute was fired in Brewer last evening, in honor of the Republican victory.

Mrs. French, the lady who was so badly scalded last Thursday, was very comfortable yesterday.

The counting of the returns from the various Wards yesterday was not completed until after eight o'clock.

The Orients leave on their tour this morning. They play with the Androscoggins this afternoon.

The Brewer High School is now successfully under way with Mr. Frank Pratt, of this city, as teacher. There are twenty-eight pupils.

The man who is suspected as having stolen the horse belonging to Mr. Hinckley of Hampden, was arrested by a constable of that place and brought to this city and lodged in jail last week.

The brig George, of New Haven, that has been on C. B. Wyman & Co.'s railway in Brewer for the past week, receiving general repairs, recaulking and coppering, was launched yesterday afternoon.

An industrious and successful farmer informs us that the crops in this vicinity will turn out well. He says farmers have made a great mistake in not planting the usual amount of potatoes.

The handsome flag carried by Company C, of the Hayes and Wheeler Battalion, was presented by E. B. Neally, Esq., member of the company, on their departure for Portland, last Thursday.

Those intending to purchase tickets for the excursion to the Centennial which starts next Thursday, can do so up to Wednesday night. Ample accommodations have been provided. Remember the price, $13.

Hon. E. F. Webb of Waterville, S. C. Strout, Esq., of Portland, Judge Artemas Libby and Wm. M. Stratton of Augusta, were in the city last evening and start for Moosehead Lake this morning for a brief relaxation from the cares of business.

In our report of the celebration last Saturday night, we omitted to state there were two companies from Brewer that participated in the procession, one commanded by Capt. Sargent. Capt. S. H. Downs had charge of the entire Brewer Battalion.

Among the illuminations on Essex street Saturday night, as given by us, the following errors occurred: J. S. Ricker's house was assigned to C. E. Lyon's, Thomas [illegible] Judge W. S. REPUBLICAN JUBILEE!

Large Gathering at City Hall—Unbounded Enthusiasm — How the news was received—Ringing speeches—The returns received with cheers—A good time.

The Republicans of the city assembled in a jubilant throng at City Hall last evening to celebrate the victory in Bangor and hear "the news from Maine!" Joseph F. Snow, Esq., presided, and kept the audience in an uproar during the entire evening by his witticisms and jollity.

He opened the meeting by saying, "I told you in Abbot Square the other evening that the shouts of victory which were ringing in the Green Mountain State would be echoed back to-day from every hill in Maine, and we will now give you some of the echoes." He then called upon J. Swett Rowe, Esq., who proceeded to read the returns as fast as they were received, the announcement of the immense Republican gains eliciting constant bursts of applause.

It would be useless attempting to describe the enthusiasm which prevailed during the entire evening; and cheer after cheer arose from the crowded audience as the details of the great victory were announced and old City Hall fairly rocked under the tremendous applause.

While the audience were waiting for the returns and during the intervals short and ringing speeches were made by the following gentlemen: Hon. H. O. Pratt of Iowa, Senator Hamlin, Hon. J. H. Rice, Hon. J. S. Wheelwright, ex-Gov. Edward Kent, E. B. Neally, Lysander Strickland, Henry Lord, Esqs., Col. James Dunning, and S. W. Matthews, Esq., of Hampden. The pressure of election returns renders it impossible to do justice to the eloquent speeches which were heartily received and were frequently interrupted with applause and cheers.

The excitement was kept up until nearly ten o'clock, when the meeting was adjourned with round on round of huzzahs for the Republican candidates, the victory, and those who labored to obtain it. Every one present was overflowing with joy and gladness. The Democrats were not plainly visible on the streets although "the Harvest Moon was sailing in all her autumnal glory," and those who were about looked downcast and despondent.

Bangor Republicans yesterday covered themselves with glory and were thoroughly jubilant over the grand triumph in Maine which they helped to achieve.

"Did you see the whites of their eyes."

At a meeting of the Trustees of the Penobscot Agricultural Society, held on the 8th inst., it was decided not to hold a fair this season. The Centennial, State Election and Smuggler trot all combined gave us but little hope of success. The following resolutions were passed by a unanimous vote:

Resolved, That by the death of our distinguished citizen, Abram Woodard, the Society has met with a great loss, as he was always generous and ready to assist us by his counsel, and aid us with his money.

Resolved, That we highly appreciate the kind and generous offer made us by Charles Woodard, Esq., granting us the free use of the fair grounds for our exhibition.

H. K. ROBINSON, Pres.

UNSOLICITED TESTIMONY.

Fairfield, Me., April 28, 1864.

Gentlemen—Seeing numerous certificates in the Maine Farmer, endorsing the merits of the Great Lung Remedy, WISTAR'S BALSAM OF WILD CHERRY, I am induced and I take great pleasure in giving publicity to the great cure it accomplished in my family in the year 1856. During the summer of that year my son, Henry A. Archer, now postmaster in this place, was attacked with spitting of the blood, cough, weakness of lungs, and general debility, so much so that our family physician declared him to have a "seated consumption." He was under medical treatment for a number of months, but received no benefit from it. At length, from the solicitation of himself and others, I was induced to purchase one bottle of WISTAR'S BALSAM OF WILD CHERRY, which benefited him so much I obtained another, which in a short time restored him to his usual state of health. I can safely recommend this remedy to others in like condition, for it is, I think, all it purports to be—THE GREAT LUNG REMEDY FOR THE TIMES!

The above statement, gentlemen, is my voluntary offering to you in favor of your Balsam, and is at your disposal.

As ever, yours, ANDREW ARCHER.

The Misdirection of the Bile.

The misdirection of the bile, a consequence which ensues when the liver is inactive and the bowels torpid, produces a number of bodily evils. The blood becomes contaminated with the bilious fluid, causing the skin and the whites of the eyes to assume a yellowish tinge; dyspepsia and nausea supervene, the tongue becomes furred, the breath fetid, there are pains in the side and between the shoulder blades, the urine is high colored and scalding, and in aggravated cases jaundice and inflammation of the liver ensue. All these consequences may be prevented or obviated by using Hostetter's Stomach Bitters, a vegetable alterative tonic which stimulates the inactive liver to exert itself in secreting and directing the bile, acts naturally upon the bowels and removes every trace of indigestion. cod&w1w sp9

CHILDREN TEETHING

MRS. WINSLOW'S SOOTHING SYRUP,

For Children Teething,

greatly facilitates the process of teething by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for years, and CAN SAY IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after years of experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation has been used with NEVER FAILING SUCCESS in

Thousands of Cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Griping in the Bowels and Wind Colic.

We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle.

Be sure and call for

"Mrs. Winslow's Soothing Syrup,"

Having the fac-simile of "CURTIS & PERKINS" on the outside wrapper.

Sold by druggists throughout the world.

THE OLD SHIP OF STATE—WILL IT STAND?

BY REBECCA H. PIERCE.

How will it fare with the old Ship of State,
'Mid the discord, the malice, the envy and hate,
To a fierce flame by partizan recklessness fanned?
The old Ship of State—will it stand? will it stand?

Will it stand 'mid the wild, raging tempest the while,
Of bitter invectives, and epithets vile,
Hurled in wrath at the brave, who've the right to comand?
The old Ship of State—will it stand? will it stand?

'Mid the rage of the elements burdened with gloom,
Will it rush wildly on to a terrible doom,
With the Stars and the Stripes that so proudly do wave
At the mast, trailing low neath the foam-crested wave?

Nay! although Disunion stands forth in its might,
The LORD, in His wisdom, upholdeth the RIGHT!
By the guidance and strength of His infinite hand,
The old Ship of State—it will stand! it will stand!

It will stand—ever stand while FREEDOM hath name,
Or the champions live in the annals of fame!
Proud Liberty's boast! in majesty grand,
The old Ship of State—it will stand! it will stand!

LETTER CARRIERS

All letters are delivered free by carriers when addressed to street and number People should inform their correspondents of above and have their letters addressed accordingly

Persons leaving their address at the General Delivery can also have their letters sent, but it is much more convenient to have the street and number on, and they will be delivered earlier than if the same is put on at the office Carriers make two deliveries daily, the first trip supplying the extremes of their routes.

Collections are made morning and evening in season for important mails—the down town boxes fifteen and the up town boxes thirty minutes before closing mails at the office

Holidays the Carrier's Window will be open for the delivery of letters from 8½ to 9½ A. M. and from 8½ to 9 P. M. Sundays from 8½ to 9½ A M

Any irregularities in the Carriers department should be reported to the office.

ENVELOPES

No additional charge will be made for printing the name and request to return across the left hand upper corner of the envelopes furnished by the Post Office Department, (samples of which may be seen at the Cashier's window) when ordered in lots of not less than 500

A request for the return of a letter to the writer, if unclaimed within thirty days, or less, written or printed, with the writer's name, post office and State across the left end of the envelope, on the face side, will be complied with.

☞ The public are earnestly recommended to procure Stamped envelopes with printed return request, as the expense is less, and letters thus endorsed, if not delivered to the person addressed are returned to the writer free of charge
